RE: Activity of the General Faculty Committee on Collegiate Activities

The GFCCA met in the Fall of 2002 to approve budget modifications for 2002-2003. Prof. Alexander Reisz was re-elected Chair of the committee.

Professors David Rosenberg and Mary McGlynn were also members of the committee. One meeting in the Fall was held to deal with budgetary issues, and highlights of the athletics program were presented by Prof. William Eng, Director of Athletics. A more extensive description of athletics is presented in the report by the Vice-President for Student Development/Athletics. A second meeting was held in the spring semester to discuss awards, and the possible athletics referendum. A third meeting will be held in late April to approve the 2003-2004 Athletic Budget.

Please do not hesitate to get in touch with me should you need further information. In the meantime, I remain

Sincerely Yours

Alexander Reisz
