Re: Report to the General Faculty  
Date: Spring 2021

In the Fall 2020 semester, the Committee on Committees held an election to fill three vacant committee seats. Voting was open from November 3 to November 9. 455 anonymous ballots were sent to eligible members of the general faculty using Qualtrics, adjusted to 453 after two emails bounced. 43 ballots were opened but not submitted, 182 responses were received, for a response rate of 40%. I would like to note that one election was decided by 3 votes, and a write-in candidate was elected by a margin of 1 vote. Your participation matters! Thank you all for running and voting, and a warm welcome to the new committee members!

The updated committee membership roster follows this report. Committee chairs, if you are not listed as such, please notify me and Anita Dwyer. This will keep our records current as well as facilitate communication. Please also let us know if there are any changes to committee membership.

We would like to thank our past chair Yochi Cohen-Charash for laying the groundwork for this election since last summer, Anita Dwyer and Kenya Lee at the President's Office for compiling the email distribution list, and Dennis Slavin for helping publicize the election.

Respectfully submitted,  
Kimmy Szeto, Chair
