Re: Report to the General Faculty
Date: Spring 2022

The Committee on Committees solicited nominations for General Faculty Committees (2022-24) and Secretary (2022-25) from February 24 to March 11. After additional nominations are taken from the floor at this meeting today, the final slate will be presented to the General Faculty for approval. Elections will be held online (using Qualtrics), tentatively from April 1 to April 15. I would like to thank Kenya Lee for her help with compiling the list of email addresses for ballot distribution. The Committee on Committees will transmit vote counts to the President, who will then announce the results.

After results are announced, elected members will begin their terms immediately. As stated in Section 2 of the General Faculty Bylaws, past chairs are cordially requested to convene the first meeting of the new term and facilitate the election of new chairs. New chairs, please notify the Secretary, copying the Committee on Committees.

Your participation matters! Feel free to contact me or a member of the Committee on Committees with any questions related to nominations and elections.

Thank you all for serving!

Respectfully submitted,

Kimmy Szeto, Chair
